LOVE ME TENDER

If your dream of stepping out in a pair of the hottest 'it' shoes by Christian Louboutin seems a fairytale away, Australian website www.loveandleaveme.com could be your knight in shining armour! This site allows fashionistas to borrow designer shoes and accessories for a monthly or weekly fee... and they've just added Christian Louboutin's 'Yoclou' peep-toes to their already heavenly shoe range that includes Dolce & Gabbana, Gucci and Terry Biviano. Now you don't need to settle for fake designer gear, you can borrow the real deal instead!
